Specific months have not been allocated. The aim of this approach is to accommodate the situation where a formal meeting does not take place in a particular month.

To help keep track (e.g. where people swap turns going forward), a reminder of the minute taker as well as the minute taker for the next meeting will be provided when the agenda is issued for each formal meeting and the name of the next minute taker will also be stated at the end of the minutes of the previous meeting.

If you are not able to take the minutes of your scheduled turn, please arrange to swap directly with someone who is attending (there is no need to involve the Chair in that process). Once agreed, please let Fred Emden and the Chair know who has agreed to take the minutes for that particular meeting.
